LEGISLATIVE COUNCIL QUESTION No.2132 (STARRED).

Mr. J. A. Saldanha.

Will the Hon'ble the Minister for Public Health be pleased to place before the Council the various grievances urged by the South Kanara District Advancement Association and the Health and Welfare Association during his recent visit to Mangalore, and to state what action he has taken or contemplates taking on them?

LOCAL SELF GOVERNMENT DEPARTMENT.

ANSWER.

A copy of the memorial presented by the District Advancement Association, South Kanara is placed on the table. There is no separate memorial from the Health and Welfare Association. The remarks of the heads of departments concerned have been called for on the representations made in paragraphs 2,9 and 10 of the memorial. As regards those in paragraphs 3 to 8 the attention of the Hon'ble Member is invited to the answer to ~~a~~ clause (b) of Question No.2103.

Fort St. George,
Dated 20th March 1930.

Hilton Brown,
Secretary to Government.

To the Council Office.

The above answer has been approved by the Hon'ble Mr. S. Muthiah Mudaliar.

Forwarded
(By Order).

Superintendent.

C.C.

The Honorable Mr. S. Muthiah Mudaliar,

Minister to the Government of Madras.

Sir,

1. The deputation on behalf of the District Advancement Association, South Kanara, places before you the following matters for your kind and favourable consideration.

2. We know that the "Temperance movement" is near and dear to you and to the present Ministry and we take hold of this opportunity to suggest to you, that the possibilities of manufacturing "Power Alcohol" may be thoroughly examined and if the Government should only succeed in this matter, there will no longer be any room for entertaining a fear of loss of Excise revenue to Government, as a result of the spread of the temperance movement. Dr. Fowler, demonstrated at the British Exhibition the possibilities of the manufacture of industrial alcohol as a substitute for petrol, and his experiments are embodied in the Report of the Exhibition. We make bold to say that the Cashew tree which grows wild in this district, yields of its fruit a very valuable form of alcohol, which is reported to have highly medicinal properties, particularly as a cure for Cholera and diarrhoea. If only experiments are conducted to convert this Cashew alcohol into "Power or Industrial Alcohol" as a substitute for petrol, it will become a very fruitful source of revenue to Government, and equally beneficial to the people, as all the waste lands in this district could be planted with cashew, which grows wild in these parts. We had urged this matter before the Honorable Mr. Arogiaswamy Mudaliar, when he visited this district during his tenure of office, and he had in a way, promised to enquire into this matter. We press the matter once again before you, sir, and we hope, Government will yield to our

request

request, and have some experiments carried out in the Tata's Research Institute, Bangalore or elsewhere.

3. The next subject we wish to place before you is the opening of additional registration offices in this district, where we learn, no new registration offices have been opened since the year 1914. We wish to bring to your notice that the opening of new registration offices at Kadaba in Puttur Taluk, at Badiadka and Nileshwar in Kasaragod Taluk and at Shirva in Udipi Taluk are felt to be an imminent necessity.

4. A registration office at Kadaba will serve 24 villages, which are at a distance of 12 to 36 miles from Puttur, and on an average about 256 registrations may be expected here, but if 10 villages of Belthangady Sub Dt., and 14 of Sullia which can be conveniently added to it, are included the average registrations will rise to 460.

5. As regards Badiadka, there has been an agitation for it from 1918, and if opened it will relieve the offices at Kasaragod, Vittal, Manjeshwar and Puttur. In all 19 villages of Kasaragod, 3 of Puttur, 1 of Manjeshwar, and 2 of Vittal will go to form this new office with about eight to nine hundred registrations. At present Kasaragod alone has 2402 registrations which is too heavy. We learn Government intends to have one here, but only in 1931-32 but it may be expedited.

6. An office at Nileshwar will relieve Hosdrug and also Trikarpur, where the present registrations are about 2,600 and odd, at each office. Nileshwar has a population of 10712. Nileshwar and 3 villages adjacent to it, belonging now to Hosdrug Sub Dt., will give more than 600 registrations. If we can add to this 4 villages of Tikarpur Sub Dt. which give about 550 registrations, the total will aggregate to 1150 registrations. Pepper cultivation is extending rapidly in these parts and is swelling

the number of registrations in these parts.

7. To constitute the office at Shirva, 11 villages of Udipi Regn Office; 7 of Mulki, 9 of Karkal, can be put together and will yield 600 to 700 registrations in a year.

8. We have only one word to say about the itinernat system, that Government seems to have in contemplation to meet with our demand, and that is, that the distribution of houses in the villages along the west coast, is quite different from what it is elsewhere. This fact has been taken note of by the Agricultural and other departments, in bringing in new changes intended to benefit the villagers. The itinerant system therefore will not be successful here.

9. The health of the City of Mangalore requires urgent and prompt attention, and the Health Department will confirm what we urge. The town is growing northwards and on account of its peculiar topographical features, it has already become a city of distances, dislocating the old business centres, unless facilities are afforded to allow the people to colonise south-wards, many inconveniences to the people are bound to result. We urged this matter before His Excellency the Governor of Madras when he came here, and through his kind intervention, the S.I.R.Ry has promised to run motor coaches between the Mangalore and Ullal Railway Stations at a very early date. Ullal is the village on the other bank of the Nethravathi river, and has a population of over 5,000. It has picturesque scenery, and stands at sea level, with extensive stretches of vacant land. In short it is in every way suited for the location of a garden suburb of Mangalore. We request you, Sir, to send us the Town Planning expert and have the possibilities of converting Ullal into a garden suburb of Mangalore considered and

worked

worked out in detail, so that the people can set to work on the scheme at a very early date.

10. Lastly, we desire to bring to your notice, the existence of leprosy in this town, to a degree, that would justify the extension of the Leper Act into this town, provided, of course, the adequate provision is made before hand, by opening Suitable Leper Asylumns & Homes, to receive the lepers.

11. In conclusion we hope, that your visit will be a fruitful source of good to the people of these parts, and we hope also that you will carry home some kinds thoughts for the people and always have a warm corner for them in your heart. May God grant you, long life health and prosperity.

25-3-1930

Public Health

Action taken on the memorial from the District Advancement Association and the Health and Welfare Association.

1643 Q.—Mr. J. A. SALDANHA: Will the hon. the Minister for Public Health be pleased to place before the Council the various grievances urged by the South Kanara District Advancement Association and the Health and Welfare Association during his recent visit to Mangalore, and to state what action he has taken or contemplates taking on them?

A.—A copy of the memorial* presented by the District Advancement Association, South Kanara, is placed on the table. There is no separate memorial from the Health and Welfare Association. The remarks of the heads of departments concerned have been called for on the representations made in paragraphs 2, 9 and 10 of the memorial. As regards those in paragraphs 3 to 8 the attention of the hon. Member is invited to the answer to clause (*b*) of question No. 1590.

Mr. J. A. SALDANHA:—"May I enquire if any separate note or memorandum has been received from the Health and welfare Association?"

The hon. Mr. S. MUTHIAH MUDALIYAR:—"There is no separate memorial. That is stated in the answer."

Mr. J. A. SALDANHA:—"In the shape of a memorandum or notes?"

The hon. Mr. S. MUTHIAH MUDALIYAR:—"I don't know of any."

Paras 9 and 10 of the memorial which relate to this Depth. have been referred to the D.T.P and the S.G. respectively for remarks and their replies are awaited. It will be seen from the above note that para 2 of the memorial which relates to them has been referred to the Commr of Excise for remarks.

2 It will appear from the Question on p. 1 of that the N.L.C. wants to be informed of the action taken as proposed to be taken on the paras. referred to in para 1 supra. It is for consideration whether an interim answer that the Heads of Depths. have been Consulted should be given now or whether this may lie over till final replies are received. For orders.

5) 3 6.3.30

There is no objection to placing a copy of the memorial on the table. We may say that "the remarks of the heads of depts. concerned have been called for and are awaited".

It is not likely that even if revised any action can be taken on them by the next council meeting.
